Sub: Allowance - T.A. - Sixteenth Meeting of the Central Boilers Board held at Bangalore drawal of IInd Class fare by the Superintendent who accompanied the Chief Inspector of Steam Boilers - request - Re.

Ref: From the Chief Engr.P.W.D.(Genl.& Buildings) No.7087 Ad2/53-5, d/16/2/53.

The Chief Engineer was pleased to accord sanction to take my office Superintendent to the Sixteenth meeting of Central Boilers Board held at Bangalore and to important places like Kolar Gold fields etc., in Nos.7087 Ad2/52-3, dated 9/1/53 and 7087 Ad2/52-5, dated 16/2/53. When the T.A.Bill was - submitted, the Accountant General disallowed the claim of Railway fare by II class for railway journeys performed by him pointing out that the concession of travel by II class applies only to tour clerks accompanying the officers as per G.O.No.1488 Finance, dated 18/11/52. (copies of letters between the Accountant General, Madras and myself are enclosed). The Superintendent was taken with me for the specific purpose of attending to the office work connected with the Central Boilers Board meeting by virture of his experience in that work and he had to take up the work immediately after the railway journeys.

2. This disallowance amounts to Rs.17/2/0 which is too much to be borne by him. I therefore, request the Chief Engineer to kindly address Government to permit the drawal of railway fare by the II class incurred by him as is normally allowed to clerks accompanying me on tours.

Submitted to Government with reference to correspondence ending with G.O.No.Ms.1412 P.W.d/31/3/53.

2. The request of the Chief Inspector of Steam Boilers, is to permit the Superintendent who accompanied him to the sixteenth meeting of the Central Boilers Board held at Bangalore, to draw II nd class fare for the Railway journeys performed by him by IInd class in connection with that meeting.

3. In the circumstances reported in his letter read above and in view of the fact that the Superintendent had actually performed the railway journeys by IInd class only the request of the Chief Inspector of Steam Boilers is recommended for the sanction of Government.
